## Interior Design Consultation 2 hours in your home or office

Are you designing a new home or office? Would you love a new Kitchen or Master Suite? Maybe you would simply like some professional advice when choosing your new draperies, paint color, or upholstery.

Thea Miller of Miller Lane Studio can provide a simple assessment of what you can do to improve your surroundings while staying within your budget.

Thea has over 25 years experience in Interior Design professional practice. Her expertise includes all phases of the architectural design process, as well as schedule & budget management. She approaches all projects with a clean, simple, and fresh sensibility while maintaining the spirit of a client's style. This results in an ideal partnership and design solution.
